TRAFFIC SIGNAL CONTROLLER (DATA SHEET)

| | |
|--|---|
| Make/Model: | Sensecure / SSE-CON-V121 |
| Type | |
| Processor | 32 bit/64 Bit microcontroller based |
| Cycle Plans | 24 cycle plans |
| Display | 20*4 with backlit Liquid Crystal Display(LCD) |
| Day Plans | 7-day plans |
| Week Plans | 7-week plans |
| Operating temp | 0 to 60 degree C |
| Hurry Call | 4 Buttons With Force flash |
| Modes | |
| Remote Configuration Capability | Yes |
| Power Consumption | >30 W |
| Conflict monitoring facility | Available |
| Out-port (Wired/Wireless) | 64 Port (Optional) |
| Phases & Stages | 32 stages & 32 phases |
| Backup Battery | GPS for Real time clock (RTC) |
| Input Voltage rating: | 220-240 VAC |
| Output Voltage to lamps: | 12 VDC or 24VDC |
| Communication ports | RS232, TTL, USB, LAN (Optional) |
